

RRE Grade Level Supply Lists (Suggested but NOT Required)

Greetings!

As you prepare for school there are some items that you may wish to purchase for your student or students. These are not required. They are simply items that we use in our classrooms that students will be sharing. However, we know that some students prefer to use their own. So, we are giving you the list just to be safe. Please know that all of our teachers appreciate any donations that you may wish to give as well.

Thank you for your support!

Mrs. Restad
