

Steekee Elementary School

2021-2022

Pre K Supply List

- One standard size backpack (large enough to hold a winter coat and standard school supplies)
- 2 packs of 24 count Crayola Crayons
- Disinfecting Wipes
- Disinfecting Spray

*At this time, we are well-stocked with tissues, pencils, markers, colored pencils, and hand sanitizer. We do not need these items for Pre K. Should a need arrive throughout our school year that we have not indicated on this list, we will certainly reach out to you. As for now, these few items are all we are requesting for Pre K. As always, these are simply suggestions. No items are required for your child to attend our Pre-K Program.
