September 2021

Dear Grown-ups,

*Scholastic News* is a weekly classroom magazine that motivates kids to read and discover! Issues cover a wide range of real-world topics that expose children to nonfiction information in a highly engaging way. We will use these informative magazines to build reading and writing skills and to integrate knowledge across the curriculum, including social studies, science, engineering, and math.

We'd like to begin using *Scholastic News* as soon as possible to help students grow knowledge and analyze content. The cost of the magazine for the entire school year comes out to \$8.00 per child.

Please send in an \$8.00 CHECK (payable to Scholastic News) in an envelope labeled with your child's first and last name by Friday, September 10, 2021. Cash cannot be accepted at this time. Thank you for your understanding.

Thank you,

The Second Grade Team 😊
